How To Find Us

If you would like to drop off a sample to be tested, please use the following instructions to find our office.

Our address is [Greenlight Environmental Services Pty Ltd, Office 24, 15 Cochranes Rd, MOORABBIN VIC 3189](https://www.greenlightservices.com.au). Click on our above address for our location on google maps.

Our office is in a shared work facility called CLIK Collective and is in the old Morris Moor building. The entrance to the building is under the metal loading bay canopy and through the roller door.

The reception desk will be to your left as you enter the roller door. If reception is unattended, you can leave your sample in the Goods Cage.
